THE EARLY LEARNING COMMUNITIES HUB

What are the ELC'S?

Free resources and training in your neighborhood to help you provide the best possible care for your children. These services are made local to you through the Great Start Regional Resource Center, United Way's Early Learning Communities (ELC).

Whether you are a grandmother, aunt, neighbor, parent or professional childcare provider, you are eligible to take advantage of these additional resources to help you make sure that the children in your care start school prepared and ready to learn. Your local ELC is managed by a neighborhood organization that is generally already providing services to the community, convenient and staffed to assist.
