INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Poverty and Social Reform Institute, Inc.
d/b/a Leaps and Bounds Family Services
Warren, Michigan

Opinion

We have audited the accompanying financial statements of Poverty and Social Reform Institute, Inc., d/b/a Leaps and Bounds Family Services (the "Institute") (a nonprofit organization), which comprise the statements of financial position as of September 30, 2024 and 2023; the related statements of activities, functional expenses, and cash flows for the years then ended; and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Poverty and Social Reform Institute, Inc., d/b/a Leaps and Bounds Family Services, as of September 30, 2024 and 2023 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Institute and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate that raise substantial doubt about the Institute's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Institute's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Institute's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

The image shows a handwritten signature in dark ink that reads "UHY LLP". The letters are stylized and cursive, with the "U" and "H" being particularly prominent.

NOTES TO FINANCIAL STATEMENTS
September 30, 2024 and 2023

NOTE 1 - NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

DESCRIPTION OF ORGANIZATION

Poverty and Social Reform Institute, Inc. (the "Institute"), doing business as Leaps and Bounds Family Services, is a not-for-profit organization whose revenue is derived principally from grants (primarily from United Way/ACCESS) and private contributions. The primary purpose of the Institute is to advance an equitable society by supporting early childhood educators and parents who seek to provide the highest quality care for children.

SIGNIFICANT ACCOUNTING POLICIES

The Institute's accounting policies conform to accounting principles generally accepted in the United States of America. The following is a summary of policies that are considered significant to this organization.

Basis of Accounting - The financial statements of the Institute are reported on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America for nonprofit organizations.

Basis of Presentation - Financial statement presentation follows the requirements of the Financial Accounting Standards Board in its Accounting Standards Codification (ASC) Statement 958, *Financial Statements of Not-for-Profit Organizations*. In accordance with ASC 958, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objective of the Institute. These net assets may be used at the discretion of management.

Net Assets With Donor Restrictions - Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donors. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Cash and Cash Equivalents - Cash and cash equivalents consist primarily of checking and money market accounts and cash deposits. Cash equivalents are considered to have original maturities of ninety days or less.

Investments - The Institute reports its investments in accordance with generally accepted accounting principles for not-for-profit organizations, which establish accounting standards for investments in certain equity securities and for all debt securities. The guidance prescribes that covered investments be reported in the statement of financial position at fair value with any realized or unrealized gains or losses reported in the statement of activities. Investments were composed of cash held by the investment company and mutual funds carried at fair value.

NOTES TO FINANCIAL STATEMENTS
September 30, 2024 and 2023

NOTE 1 - NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment income is recognized as revenue in the period it is earned and gains and losses are recognized as changes in net assets in the accounting period in which they occur.

Fair Value Measurements - ASC 820, *Fair Value Measurements and Disclosures*, defines fair value, establishes a framework for measuring fair value, and requires certain disclosures about fair value measurements. The Institute accounts for certain investments at fair value.

Prepaid Expenses - Prepaid expenses consist of insurance and certain expenses paid for in advance and recorded as an asset before they are used or consumed.

Property and Equipment - Property and equipment consists of leasehold improvements, furniture and equipment, and computer equipment and are recorded at cost at the date of purchase or at estimated fair market value at the date of donation. Major additions are capitalized, while maintenance and repairs, which do not improve or extend the life of the respective assets, are expensed currently. Gains or losses from disposals are included in earnings. Depreciation is computed on the straight-line method over the estimated useful lives of the assets.

The estimated useful lives of the assets are as follows:

Leasehold improvements	10 years
Furniture and equipment	5 years
Computer equipment	3-5 years

Leases - The Institute determines if an arrangement is a lease at inception by determining whether the agreement conveys the right to control the use of the identified asset for a period of time, whether the Institute has the right to obtain substantially all of the economic benefits from use of the identified asset, and the right to direct the use of the asset. Lease liabilities are recognized at the commencement date based upon the present value of the remaining future minimum lease payments over the lease term using the rate implicit in the lease or the risk-free rate. The risk-free rate is defined as the daily treasury par yield curve rate for a period of time that approximates the lease term. The Institute's lease terms include options to renew or terminate the lease when it is reasonably certain that they will exercise the option.

The lease right-of-use assets are initially measured at the carrying amount of the lease liability and adjusted for any prepaid or accrued lease payments, remaining balance of lease incentives received, unamortized initial direct costs, or impairment charges relating to the right-of-use asset. Certain leases contain escalation clauses, which are factored into the right-of-use asset where appropriate. Lease expense for minimum lease payments are recognized on a straight-line basis over the lease term.

NOTES TO FINANCIAL STATEMENTS
September 30, 2024 and 2023

NOTE 1 - NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Variable lease expenses include payments related to the usage of the lease asset (utilities, insurance, and variable common area maintenance) are expensed as incurred. The Institute's lease agreements do not contain any material residual value guarantees or material restricted covenants.

Contributions - Contributions that are restricted by the donor are reported as increases in net assets without restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with restrictions. When a restriction expires, net assets with restrictions are reclassified to net assets without restrictions and are reported in the statement of activities as net assets released from restrictions.

Revenue Recognition - Grants and contributions are recognized when cash, securities, or other assets, or an unconditional promise to give is received. Special event revenue is recognized upon completion of the event. Fees are recognized upon completion of the class to which the fee pertained. Other revenues are recognized when received.

Cost Allocation and Functional Expenses - Directly identifiable expenses are charged directly to program and/or supporting services. Expenses related to more than one function are charged to the program and supporting services on the basis of periodic time and expense studies. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Institute.

Income Taxes - The Institute is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

Estimates - In preparing the financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events - In preparing these financial statements, the Institute has evaluated events and transactions for potential recognition or disclosure through January 21, 2025, the date the financial statements were available to be issued.

	<u>\$ 355,076</u>	<u>\$ 343,509</u>

NOTE 4 - CONCENTRATIONS

Credit Risk

The Institute is required to disclose significant concentrations of credit risk regardless of the degree of such risk. Financial instruments, which potentially subject the Institute to concentrations of significant credit risk, consist principally of cash equivalents, and contributions, contracts, and grants receivable. The Institute's cash and cash equivalents are deposited with high-credit-quality financial institutions. The Institute had deposits with a bank balance of \$454,378 and \$1,018,176 at September 30, 2024 and 2023, respectively. As of September 30, 2024, \$250,000 is insured by depository insurance with the remaining \$204,378 uninsured and uncollateralized. At September 30, 2023, \$250,000 was insured by depository insurance with the remaining \$768,176 uninsured and uncollateralized.

NOTE 4 - CONCENTRATIONS (Continued)

Contracts and grant receivables consist principally of amounts due from ACCESS, and governmental and nonprofit entities. These receivables are considered to be subject to minimal risk. All receivables are typically collected within one year.

Receivables

At September 30, 2024, approximately 95% of the Institute’s total receivable was due from ACCESS. At September 30, 2023, approximately 89% of the Institute’s total receivable was due from ACCESS.

Revenues

During the fiscal years ended September 30, 2024 and 2023, approximately 81% and 88%, respectively, of the Institute’s total revenue and support was received from ACCESS and the United Way.

NOTE 5 - INVESTMENTS

Investments at September 30 consist of the following:

	<u>2024</u>	<u>2023</u>
Mutual funds	<u>\$ 708,575</u>	<u>\$ -</u>

In accordance with ASC 820, the Institute uses fair value measurements to record adjustments to certain assets. The ASC 820 defines fair value as “the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.” The Codification also sets out a fair value hierarchy ranking the levels of the inputs used as assumptions in the valuation techniques used to value an asset or liability. The fair value hierarchy gives the highest priority to quoted prices in an active market for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of hierarchy are described as follows:

Level 1 - Level 1 inputs are quoted market prices in active markets for identical assets or liabilities that are accessible at the measurement date. An active market is a market in which transactions of the asset or liability occur with sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2 - Level 2 inputs are from other than quoted market prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. These inputs include quoted market prices of similar assets or liabilities in active markets, quoted market prices for identical or similar assets or liabilities in markets that are not active, and pricing models developed principally from inputs from or corroborated by observable market data by correlation or other means.

POVERTY AND SOCIAL REFORM INSTITUTE, INC.
d/b/a LEAPS AND BOUNDS FAMILY SERVICES
NOTES TO FINANCIAL STATEMENTS
September 30, 2024 and 2023

NOTE 5 - INVESTMENTS (Continued)

Level 3 - Level 3 inputs are unobservable and allowed in situations where there is little, if any, market activity for the asset or liability at the measurement date. These inputs reflect the reporting entity's own assumptions about assumptions that would be used by market participants.

The Institute's valuation of the investments at September 30, 2024 is determined by quoted prices in active markets for identical assets (or Level 1 inputs as defined by ASC 820).

NOTE 6 - PROPERTY AND EQUIPMENT

The components of property and equipment at September 30 are as follows:

	<u>2024</u>	<u>2023</u>
Furniture and equipment	\$ 14,981	\$ 15,540
Computer equipment	13,128	22,608
Leasehold improvements	<u>12,295</u>	<u>12,295</u>
	40,404	50,443
Less - accumulated depreciation	<u>(40,323)</u>	<u>(49,663)</u>
Net property and equipment	<u><u>\$ 81</u></u>	<u><u>\$ 780</u></u>

Depreciation expense for the years ended September 30, 2024 and 2023 was \$699 and \$2,302, respectively.

NOTE 7 - LEASES

The Institute has operating leases with a third party for office space. The Institute's first lease commenced October 1, 2023 for three years through September 30, 2026. The second lease is for three years beginning October 1, 2021 and was extended through September 30, 2027. As of September 30, 2024, the Institute had right-to-use assets of \$120,609, which is being amortized on a straight-line basis over the life of the contract. At September 30, 2024, \$28,479 was amortized.

The component of lease costs for the year ended September 30, 2024 and 2023 is attributable to operating lease expenses in the amount of \$51,105 and \$42,288, respectively.

NOTE 7 - LEASES (Continued)

The weighted average remaining lease term of the operating leases as of September 30, 2024 was 2.5 years. The weighted average discount rate of the operating leases as of September 30, 2024 was 5%.

As of September 30, the minimum future rental payments under the operating leases described above are as follows:

Year ending September 30	2024	2023
2025	\$ 42,750	\$ 12,151
2026	43,213	-
2027	13,075	-
	99,038	12,151
Less - present value adjustment	(5,742)	(323)
Total lease liability	<u>\$ 93,296</u>	<u>\$ 11,828</u>

NOTE 8 - THE PAYCHECK PROTECTION PROGRAM (PPP) LOAN

On May 4, 2020, the Institute entered into a U.S. Small Business Administration (SBA) PPP Loan in the principal amount of \$117,482 payable to Credit Union ONE evidencing a PPP Loan from Credit Union ONE. The PPP Loan will bear interest at a rate of 1.0% per annum. No payments were due on the PPP Loan until December 4, 2020. The maturity date was May 4, 2022.

The principal amount of the PPP Loan was subject to forgiveness by Credit Union ONE through the SBA under the PPP upon the Institute's request to the extent that PPP Loan proceeds were used to pay expense permitted by the PPP, including payroll, rent, and utilities. Credit Union ONE has forgiven interest accrued on principal forgiven. During 2021, \$38,434 of the loan and interest was forgiven, while \$80,439 was paid in July 2021.

According to the rules of the SBA, the Institute is required to retain PPP Loan documentation for six years after the date the PPP Loan is forgiven or repaid in full and permit authorized representatives of the SBA, including representatives of its Office of Inspector General, to access such files upon request. Should the SBA conduct such a review and reject all or some of the Institute's judgements pertaining to satisfying PPP Loan eligibility or forgiveness conditions, the Institute may be required to adjust previously reported amounts and disclosures in the financial statements.

NOTE 9 - RETIREMENT PLAN

The Institute has a 401(k) Plan for the benefit of substantially all employees. The Institute will match 75% of employee contributions up to 6% of employee compensation. The Institute's contributions were \$33,916 and \$30,402 for the years ended September 30, 2024 and 2023, respectively.

NOTE 10 - CONTINGENT LIABILITY

In the normal course of operation, the Institute participates in various federal, state, and/or local grant/contract programs from year to year. The grant/contract programs are often subject to additional audits by agents of the granting or contracting agency, the purpose of which is to ensure compliance with the specific conditions of the grant/contract programs. Any liability for reimbursement which may arise as a result of these audits cannot be reasonably determined at this time, although management believes that amount, if any, would not be material.
